

Prayer Warriors: for those that support abortion that they will see the beautiful lives they are destroying...following is a message I received from Mrs. Taylor and you can see the obvious need for prayer and precaution...

"...Can you include Christian singer Steven Curtis Chapman and his family for our prayer warriors to pray for? I think you know that his teenage son accidentally backed the family SUV over the youngest daughter, who just celebrated her 5th birthday, and it took her life. On Tuesdays, I teach private students from home, so there are always cars, vans, etc. in our driveway. Last Tuesday, my son Jack (the 5 year old), was riding his bike and rode right behind a van backing out of our driveway. He was hit, but not seriously hurt, just a scrape and a few bruises. The devastating news of the Chapman tragedy hit a little too close to home. We are praying for the Chapman family in music classes and I am reminding ALL students to watch carefully and to wear helmets as we grow closer to summer."

Don't forget if you didn't get your volunteer form turned in for next year, you can still submit it by June 4.

Angel Wings will be **CLOSED June 2, 2008.**

Summer Hours for the Office will be from **9:00 a.m.-noon** on **Tuesdays** and **Thursdays ONLY** until August 1.

Last week we had the 8th Grade Recognition Dinner. Those that know me well know that I appreciate events that are organized, elegant and show the class that Holy Angels has in all they do! I can honestly tell you that this event **far exceeded** what I expected. **Kristy Laurx** and her committee outdid themselves. The decorations were simple but tasteful, the food and the service by the 7th grade students was as good as at Hugo's Frog Bar, the entertainment was well-done (we have some MAJOR hams in the 7th grade class! Good to see kids having this much fun!), the program was excellent! The video was something that Steven Spielberg would envy! **ALL** the moms (and dads) who helped with this event should be proud! This is the way an event like this should be done! Thank you again for a job well done!

Thanks also to **Mrs. Timm, Mrs. McCrea, Mrs. Medrano** and **Mrs. Jerwers** for all the tremendous work they have done with the little ones! We all know how important it is that from the earliest grade, our children learn to love school, practice reading and numbers, etc.

Thanks to **Mrs. Williams, Miss Nardone** and **Miss Heintz** for all the work they did with graduation. They have prepared our students for high school along with the other teachers who have worked with this class!

Thanks to our two wonderful secretaries—**Mrs. Cosenza** and **Mrs. Baki!** I've said this before but most people don't realize how much work they do and the extra things they are called upon to do.

At our last School Advisory Meeting, it was mentioned that we still have a few people who forget to check the newsletters on Thursday and/or don't remember the absence phone number. It was suggested that we could have someone **DONATE** the funds, we would have magnets made that would have **both** of these reminders on them and you could put it near your phone or on your refrigerator. If you or a few people would like to contribute to this cause, please let me know. I would guess it would be about \$2-300 at most.

For the Picnic: The plans are in the works for our all school picnic and we are looking forward to having a day filled with fun, food and more fun. For your convenience here are the grades with their assigned t- shirt colors:

We've had 3 graduations in the last week—Pre-school, Kindergarten and 8th grade. These are all steps not final destinations. Your children continue to need your support and encouragement. Your children need to continue to **READ** and use the talents that God has given them. But most important your kids need your **LOVE** and the knowledge that you will support them in what they do and correct them when they do or say things that are not the result of what they should learn in our school.

Finally, we will be putting together our **School Directory** for next year. So that we do **not** leave out any names and so that we have ample time to check the directory, please fill in the following information and return it to school as soon as possible:
