

Confirmation

We have a date for Confirmation. It will be on Sunday, January 10, 2016 at 1 pm at Holy Angels Church. This means that the Confirmation Enrollment Forms need to be turned in as soon as possible. There will not be a parent meeting beforehand so if you have questions, feel free to email releducation@holy-angels.org with your questions. There will be a Confirmation practice on Saturday, January 9, 2016 at 9:30 am in Connor Hall. This practice will be for the Candidate and their Sponsor. If a Sponsor cannot attend the practice, a parent should come and stand in for the Sponsor.

Extra Yearbooks

There are 15 extra yearbooks available for purchase. The cost is \$23. Please send in a check to the office in an envelope marked "yearbook," and one will be sent home with your child. They will be sold on a first come first serve basis.

ECHOES OF ANGELS

Boosterthon Fun Run

Our fun run will be held this Wednesday. Our preschoolers through fifth grade will begin their run at 8:30. Sixth, seventh, and eighth graders will run at 9:45. Please plan on joining us. It is so much fun to watch. The kids have a blast and accomplish so much for our school. Thank you for your support of the Fun Run. We are very close to our projected goal which will help us balance our budget and purchase a new reading series for next year. We couldn't do it without you!

Curriculum Night

On Thursday evening starting 6:30 in the gym, Home &

Hospital Preference

In filing the emergency contact forms, we have noticed that parents have asked for a particular hospital in the event of an emergency. Please know that if the decision was ours alone, we would be able to honor your request. Unfortunately, that decision is made by the paramedics based on their protocol, so we cannot guarantee that your preference will be honored.

8th Grade Sweatshirts

Some 8th grade parents asked about the possibility of ordering more sweatshirts for those who did not order one last spring. I spoke with our rep and unfortunately the company will not be able to do this for us. I regret the inconvenience.

School will host their annual Curriculum Night. This is a night designed for you parents to learn more about what your children will be studying this year. Therefore, we kindly request that alternative arrangements be made for care of your children at home. After a short informational meeting in the gym, our amazing teachers will present classroom information every fifteen minutes up until 8:00. We hope that you can join us.

Grandparents & Grandfriends Day

Friday is the day we have set aside to honor our "older" generation. The day begins with Mass at 8:15 followed by refreshments and a short musical program in the church. Then students will get to take their special guests on a tour of their school. Once students check in with their teacher, they are free to leave with their grandparents or grand friends. Like Curriculum Night, the day is designed specifically for grandparents and grand friends, and we respectfully request that parents not attend.

Bishop O’Neill Award Recipient

Mrs. Jodi Taylor, music teacher and church music director, was recently honored for her outstanding service to the Word of God through religious education programs. This Diocesan award is given only once in a lifetime to deserving individuals who are committed to the teaching of the next generation of Catholics. We are blessed to have her on staff and congratulate her.

Next Week

Monday - IOWA testing continues
