

For more than 100 years – through economic turmoil, two world wars, and a pandemic – Holy Angels Catholic School has been devoted to nurturing the minds and hearts of our children and our community.

Holy Angels delivers a superior faith-based education to children from preschool through eighth grade. Our reputation for academic excellence is built on the tireless efforts of our amazing faculty. At a time when public schoolteachers are leaving the profession in droves, Holy Angels' teachers are leaning in. They go above and beyond to prepare students to meet the intellectual and spiritual challenges of modern society. Your generous assistance helps support these workers of everyday miracles as they equip students to lead productive, successful, and happy lives.

Our world desperately needs brave, compassionate servants to follow the path of Christ. Holy Angels is blessed to be surrounded by families, alumni, and others willing to answer the call and give their time, talent, and financial support to further our mission.

The cost of education is on the rise, and though we are grateful for tuition and the support of our parish, it is not enough to cover our operations. This annual appeal will help us bridge the gap so we can continue to support our teachers and provide our students with engaging education and enriching extracurricular programs.

Please show your love for our school family by giving generously to this year's appeal. Your support directly impacts Catholic education in our community. I remain grateful for you and proud of all we can accomplish when we come together to become Christ's hands and feet, doing God's work in the world. I hold each of you in my heart and in my prayers.

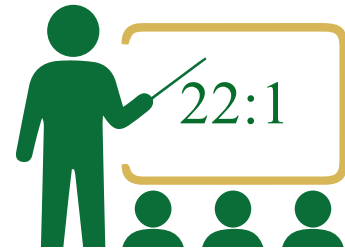

Sincerely yours in Christ,

Tonya Forbes,

Principal
