

Parent Involvement Program

Families are required to fulfill a minimum of 10 service/volunteer hours per school year. Single parent households fulfill a minimum of 5 service/volunteer hours. Families must be physically present for at least one volunteer activity. PIP hours must be completed by April 1. Hours accrued after April 1, may be used to fulfill the upcoming year's service obligation. There is a "buy out" option for PIP hours. Each hour is equivalent to \$35. Failure to schedule and fulfill PIP hours will result in an assessment fee up to \$350.
