

Box Tops

We will once again be collecting box tops. You will find them on many common food items. Please begin to save them for us. We do periodic contests to promote participation and ultimately to make more money that we can use for our school.

ECHOES OF ANGELS

The Newest Class of "Holy Angels"

Welcome Back!

While it has been a sweltering start to a new year, it has also been a great first week. Despite the heat, students are settling well into the new routine with new teachers and classmates. Please be sure to check those backpacks daily. In a few weeks we will settle into our routine, and we will limit our important papers to a Thursday distribution, but for now we don't want you to miss anything important.

Please get us the emergency forms back as quickly as possible. We would hate for any child to be miserable sitting on the green chairs in the lobby when they are not feeling

Library Remodel

Pictured above is the new mural painted by an alum of Holy Angels, Katie Bancroft. We are grateful for the time and commitment of the Stephens family who headed up this project for us over the summer. They put in countless hours to make our library a warm and inviting place. Plan to stop by and see the remodel on Curriculum Night, September 24.

well because we don't have current phone numbers for parents.

Next week, we kindly ask that you refrain from walking your child into the building. It will make our morning routine run much more smoothly with less traffic in the building. You may drop children off in the front parking lot and walk them to the rear of the building or use our drop off service in the rear of building. Also, if you need to be in the building after Friday, you will need to come to the front office, sign in, and relinquish your keys for the duration of your visit.

Dismissal has run fairly smoothly. If you park in the parking lot, your children will be dismissed first. Once our parking lot is cleared, we dismiss our walkers. Any child not picked up is held in our safety zone.

Please be sure to send a note to your child's teacher in the event that your pickup arrangements change. Thank you in advance for your cooperation.

Boosterthon Fun Run

Our first fundraiser of the year is fast approaching! Like last year, we will be hosting a Boosterthon Fun Run from September 14 until September 23. It was a blast for our students last year as they helped raise much needed funds for our school. Please look for more information coming home in the next week.
