

PIP Hours

As a gentle reminder, PIP hours are due to the office by April 1. Events that occur after that can be used for next year.

All School Picnic

Home and School is looking for volunteers to help with the All School Picnic to be held on Friday, June 3. If you are interested, please contact Margaret Vagnoni at mvagnoni74@yahoo.com.

Chastity Program

Please be sure to return your opt-out forms if you do not want your child to participate in this program tomorrow. Lessons will begin the week of February 29

Reregistration

Please return reregistration forms to the office by tomorrow. Thank you.

Choir

Choir will begin rehearsals tomorrow. Students in grades 3-5 will rehearse from 2:30-3:15. Advanced choir (grades 6-8) will rehearse until 4:30. Students will receive rehearsal schedules tomorrow. If your student is unable to attend tomorrow, please have them contact Mrs. Taylor for the rehearsal schedule.

ECHOES OF ANGELS

Seraphim Ball

It is known as the “most exciting two minutes in sports.” For us, it’s probably the most exciting time in our school year! The “road to the Derby” is heating up as we prepare for this year’s Kentucky Derby-themed Seraphim Ball. It will be held on Saturday, March 12 at Piper’s Banquets. It is a wonderful evening of good friends, fine dining, dancing, and supporting our school with your generosity. This year’s proceeds will both help us meet our budgetary needs as well as purchase furniture for our new STEM lab. If you have not yet bought a ticket, there’s still time. You don’t want to miss out on the most prestigious fundraising event of the year!

Volunteers Needed

Six adult volunteers are needed to assist with our upcoming Seraphim Ball in the areas of check in and various alcohol related raffle items. This is an opportunity to earn up to 6 PIP hours. The hours are flexible for the evening. This is a great opportunity for those who didn't purchase tickets but would like to see firsthand what the Seraphim Ball is all about.

They are also in need of 15 high school volunteers to help with raffles and various auctions. This is also an opportunity for them to earn up to 6 service hours. Hours are also flexible. Please contact adriana781@yahoo.com or 630-742-7795 if you'd like to be a part of this exciting fundraiser.

Welcome Wednesdays

Starting on Wednesday, March 2, we will be opening our school for tours for prospective parents from 9-11 AM. I am looking for parents who would like to assist me with the tours by offering their insights as a parent of a student who attends Holy Angels. Please email me at tforbes@holyanangelsschool.net if your schedule allows you to help out.

Drop Off Night

HSA will be hosting the final drop off night of the year next Friday, March 4 from 5:30 - 8:00. This fun-filled event is for students in preschool through 4th grade currently enrolled at Holy Angels. Drop off your kids for an evening of games, crafts, gym activities, and a movie. **Children must wear gym shoes for safety.** Enjoy a few kid-free hours with the knowledge that your children are being well cared for by loving and dedicated Holy Angels teachers. Popcorn and water will be provided. Please contact Annie Hilby with questions. She can be reached at kinsella77@hotmail.com

Schoolspeak Issues

SchoolSpeak has notified us that some emails sent to aol.com email addresses have been failing since Sunday. If you are not receiving emails sent from SchoolSpeak, use the AOL troubleshooting page below:

<https://help.aol.com/articles/aol-mail-troubleshooting>

Select the option 'Problems Receiving or Reading Mail', and then select, 'Why am I unable to receive emails from specific senders?'. Follow the steps listed on that page to resolve the issue. Once this has been completed, add the following email(s) to your contacts list:

admin@SchoolSpeak.com

If you are still not receiving emails sent from SchoolSpeak, please contact AOL support and ask them to deliver all emails sent from SchoolSpeak.com. Let them know that these are important messages from your school and that you want all of them delivered without filtering.

Soup for Souls is Back!

Please join fellow parishioners in Connor Hall for food and fellowship each Saturday during Lent. A different variety of soups will be available each week from 5:30-7:00 PM. There is no fee to attend, but a free will offering will be accepted to benefit the needs of the food pantry. Enjoy the great food provided by the ladies of St. Anne's. Bring your family and friends!

Next Week

Monday - Begin Chastity & Safe Environment Program lessons

Tuesday -

Wednesday -

Thursday -

Friday - **No Bus**

Drop Off Night 5:30-8:00

Did you know...

“The number of women in science and engineering is growing, yet men continue to outnumber women, especially at the upper levels of these professions. In elementary, middle, and high school, girls and boys take math and science courses in roughly equal numbers, and about as many girls as boys leave high school prepared to pursue science and engineering majors in college. Yet fewer women than men pursue these majors. Among first-year college students, women are much less likely than men to say that they intend to major in science, technology, engineering, or math (STEM). By graduation, men outnumber women in nearly every science and engineering field, and in some, such as physics, engineering, and computer science, the difference is dramatic, with women earning only 20 percent of bachelor’s degrees. Women’s representation in science and engineering declines further at the graduate level and yet again in the transition to the workplace.”
