### BENEFITS

There are numerous benefits to joining choir. Students build a strong sense of community and studies have shown that mental health improves. Choral singing enhances brain function, strengthens feelings of togetherness, and the release of endorphins and oxytocin results in reduced stress and depression. An atmosphere of acceptance and encouragement is promoted in Holy Angels choir.

### OBJECTIVES

1. Students will be able to sing alone and with others in a varied repertoire of music.
2. Students will be able to read and notate music.
3. Students will listen to, describe, analyze, and evaluate musical performance.
4. Students will consistently nurture an attitude of excellence, growth, and reflection.

### EXPECTATIONS

1. Arrive on time and be in your seat with your music and a sharpened pencil ready to rehearse.
2. Be considerate of others. Disruption of instruction will not be tolerated.
3. Be considerate of our rehearsal space. No food or drinks (except water).

5. Attendance at evening concerts is required. If a student misses an evening concert, they cannot sing at the school concert unless permission has been granted by the director.
6. No phones are allowed during rehearsals or concerts.
7. Students are expected to follow concert etiquette (will be discussed during rehearsals) and to conduct themselves as ambassadors for our school when participating in any singing events.
