ECHOES OF ANGELS

Flat Francis Project

Students were excited for the Pope to come and visit the US for the first time. The fifth graders came up with creative ideas as to what they would do if they could spend the day with the Pope. Students then took a picture with #Flat Francis and shared their ideas in writing, which is displayed in the 4th/5th grade hallway.

Dunham Fund Presentation

Next Thursday, October 8, at 9:30, we will be hosting our local dignitaries in a short presentation of the Dunham Fund award that will enable us to add a STEM curriculum to our school in the upcoming year. In attendance will be Bishop David Malloy, Mayor Tom Weisner, County Board Chairman Chris Lauzen, Chairman of the Dunham Fund, Ryan Maley, and Diocesan School Superintendent Mike Kagan. Uniform Clarification

Students may not wear sweatshirts or shirts with their uniform that are not part of the uniform code. This includes all items that are relative to a particular sport. The only sweatshirt options are the forest green sweatshirt with the HA logo, fleece 1/4 zip green sweatshirt with the HA logo, or the special navy 8th grade sweatshirts. The only exception to this rule is that students may wear their game jerseys over their uniform on the day of a game.

Box Tops

Remember to turn in your Box Tops. The goal this year is 100% participation. If your class has Box Top contributions from every student, the class wins a prize. Every Box Top that we collect becomes \$.10 for our school. Working together, we can collect a lot of money. The contest ends October 19.

Picture Day Change

Because of our presentation on October 8, Picture Day has been changed to October 19. This is a uniform day of attendance.

invited to attend this presentation and help us celebrate this incredible opportunity for our students.

Rosaries Presentation

Our second graders recently received rosaries as part of their religion studies from the Bellarmine Ladies, the auxiliary to Cardinal Bellarmine Council 4849 of Holy Angels Church. This is their 19th year of making rosaries for our students. It is their hope that these rosaries will be a part of the strong foundation of faith and a prayer life that the second graders are building and that they encounter Our Blessed Mother and her Son in a deeper way. Thank you to the Bellarmine Ladies for this wonderful gift.
